Min. Elevation: 2560 m / 8399 ft

Max. Elevation: 2944m / 9658 ft

IN CASE OF DOUBT, FOLLOW THE RED AND YELLOW ARROWS AND SPOTS ON THE WAY

1. Welcome to Hostel Llullullama!

We hope you enjoy your stay here with a wonderful three-course meal, a healthy breakfast, free tea and coffee, comfy beds and a cozy living room complete with a fire and company (including our giant dog Baloo)

2. Turn left at the road continue for 50m and you will reach the Hostel Llullullama at your right side.

3. Cross the bridge and continue walking along the path uphill 300m. At the intersection go straight on. You will reach a few houses and the village of Isinliví.

4. You will see some houses in front of you and the village of Isinliví. There will be a driveway going down to the right side. A sign of Hostel Llullullama will show you the direction as well. Follow this path for around 500m until a small wooden bridge. Alternatively the road can be followed into town 1Km.

5. When you reach the road, turn to the right and walk for around 1Km on the road. (Lat: -0.4451 Lon: -78.5226)

6. Continue following the trail (Lat: -0.4440 Lon: -78.5233) leading up the hill until you will reach a road after around 1.5Km in total going up. Sometimes the path is closed with fence doors, don't be afraid to open them.

7. The street will turn to the left side. Here take the path on the right and follow the trail all way up the

8. You passed the school on your left side and a church is on this side, too. Follow the street leading to the right for 20 meters. (Lat: -0.4424 Lon: -78.5237)

9. Make a turn to the left and follow the street into the town of Cochalo 30m. (Lat: -0.4431 Lon: -78.5243)

10. Follow the road to the left for a few meters. You will reach a junction.

11. The path is now going up the hill on your left. Take this trail up to the road.

12. Cross the bridge and follow than the track to the right side for another 15m.

13. Continue on this path for another 20m and you will reach a small concrete bridge. (Lat: -0.4430 Lon: -78.5246)

14. Turn to the right onto the road (Lat:-0.4528 Lon: -78.5340) and follow this street for a around 2Km along the river (on your left). The road will climb higher into the hills.

After a number of houses you will come around a left turn and see another house slightly below you on the left side. After this house there is a grassy path leading down towards the river. (Lat: -0.4425 Lon: -78.5251).

A sign shows you the correct way as well. Follow this path leading slightly to the right. (Lat: -0.727048 Lon: -78.873373)

15. Soon you will come to a left hand turn with another trail leading off to the right. Take this trail until you reach another road after about hill, ignoring trails going left or right. Stay on the main path.

16. You will reach a road with a big concrete house across the street. Turn right onto this road and follow for around 500m. (Lat: -0.4320 Lon: -78.5235)

17. Continue walking down the small path 400m. (Lat: -0.4311 Lon: -78.5241).

18. (Lat: -0.4259 Lon: -78.5251) In a big corner you will see two right turns. Ignore the first one and take the second small street. Another big sing of Llullullama will show you the way as well.

Follow this street for about 500m through small farms and just before the road goes uphill and to the right, take a small path on your left leading down the hill. It is not too easy to find – so watch out! Follow that path downhill.

19. You will reach a small church and the main road. Walk straight on and follow that street for around 200m. (Lat: -0.4248 Lon: -78.5249).

20. Continue walking down that street, in total for about 2Km.

21. You will reach a sing that says Isinliví 14Km. (Lat: -0.4221 Lon: -78.5340). Take the road going to the right. There is a sign to Llullullama, showing the same direction 150m.

22. The town of Sigchos (Lat: -0.4222 Lon: -78.5311) is surrounded by hills on 3 sides. Facing the open end, walk towards the right corner of the town until you reach an intersection with signs to Chugchilan and Isinliví. Take the road going left to Isinliví and walk straight on 100m.

300m (Lat: -0.4627 Lon: -78.5322).
