

Chugchilan to Isinlivi

Time: 4 – 6 horas

Distance: 12,5 kms

The Cloud Forest hostel, for your safety, builds roads and makes the signs **in red and yellow colors. Follow these signs.**

- Exit the Cloud forest and go down to the left. Follow the road during 10 minutes and you will turn right on a trail just before a house.

- Go down and reach a canyon with a lot of vegetation. Walk into this canyon until reach a great mirador on the canyon Rio Toachi.

- Go down the trail during 20 minutes and you will be in an intersection, turn left to reach a concrete bridge. Don't cross the bridge and go left to reach the little village of Itualo.

- Cross the village. On the « parador » turn right and reach the Toachi river. Walk near the river, you will reach the suspension bridge.

- 2 options.
 1. Don't cross the bridge follow the trail into reach a tree bridge. Cross this bridge, turn left and follow the river for 20 minutes. Start climbing following the trail. The path can be flodeed. After 30 minutes, you will reach a point of view. From here, you go down to reach the concrete bridge.

 2. **We recomend this option.** Cross the suspensión bridge and start climbing by the trail. Just before the top, you will walk with white cliffs on both sides. On the top, there is a great mirador. After the mirador, turn left on the dirty road and follow this path until the very little village of Guangamalag. Before the village turn left and go down to reach the concrete bridge.

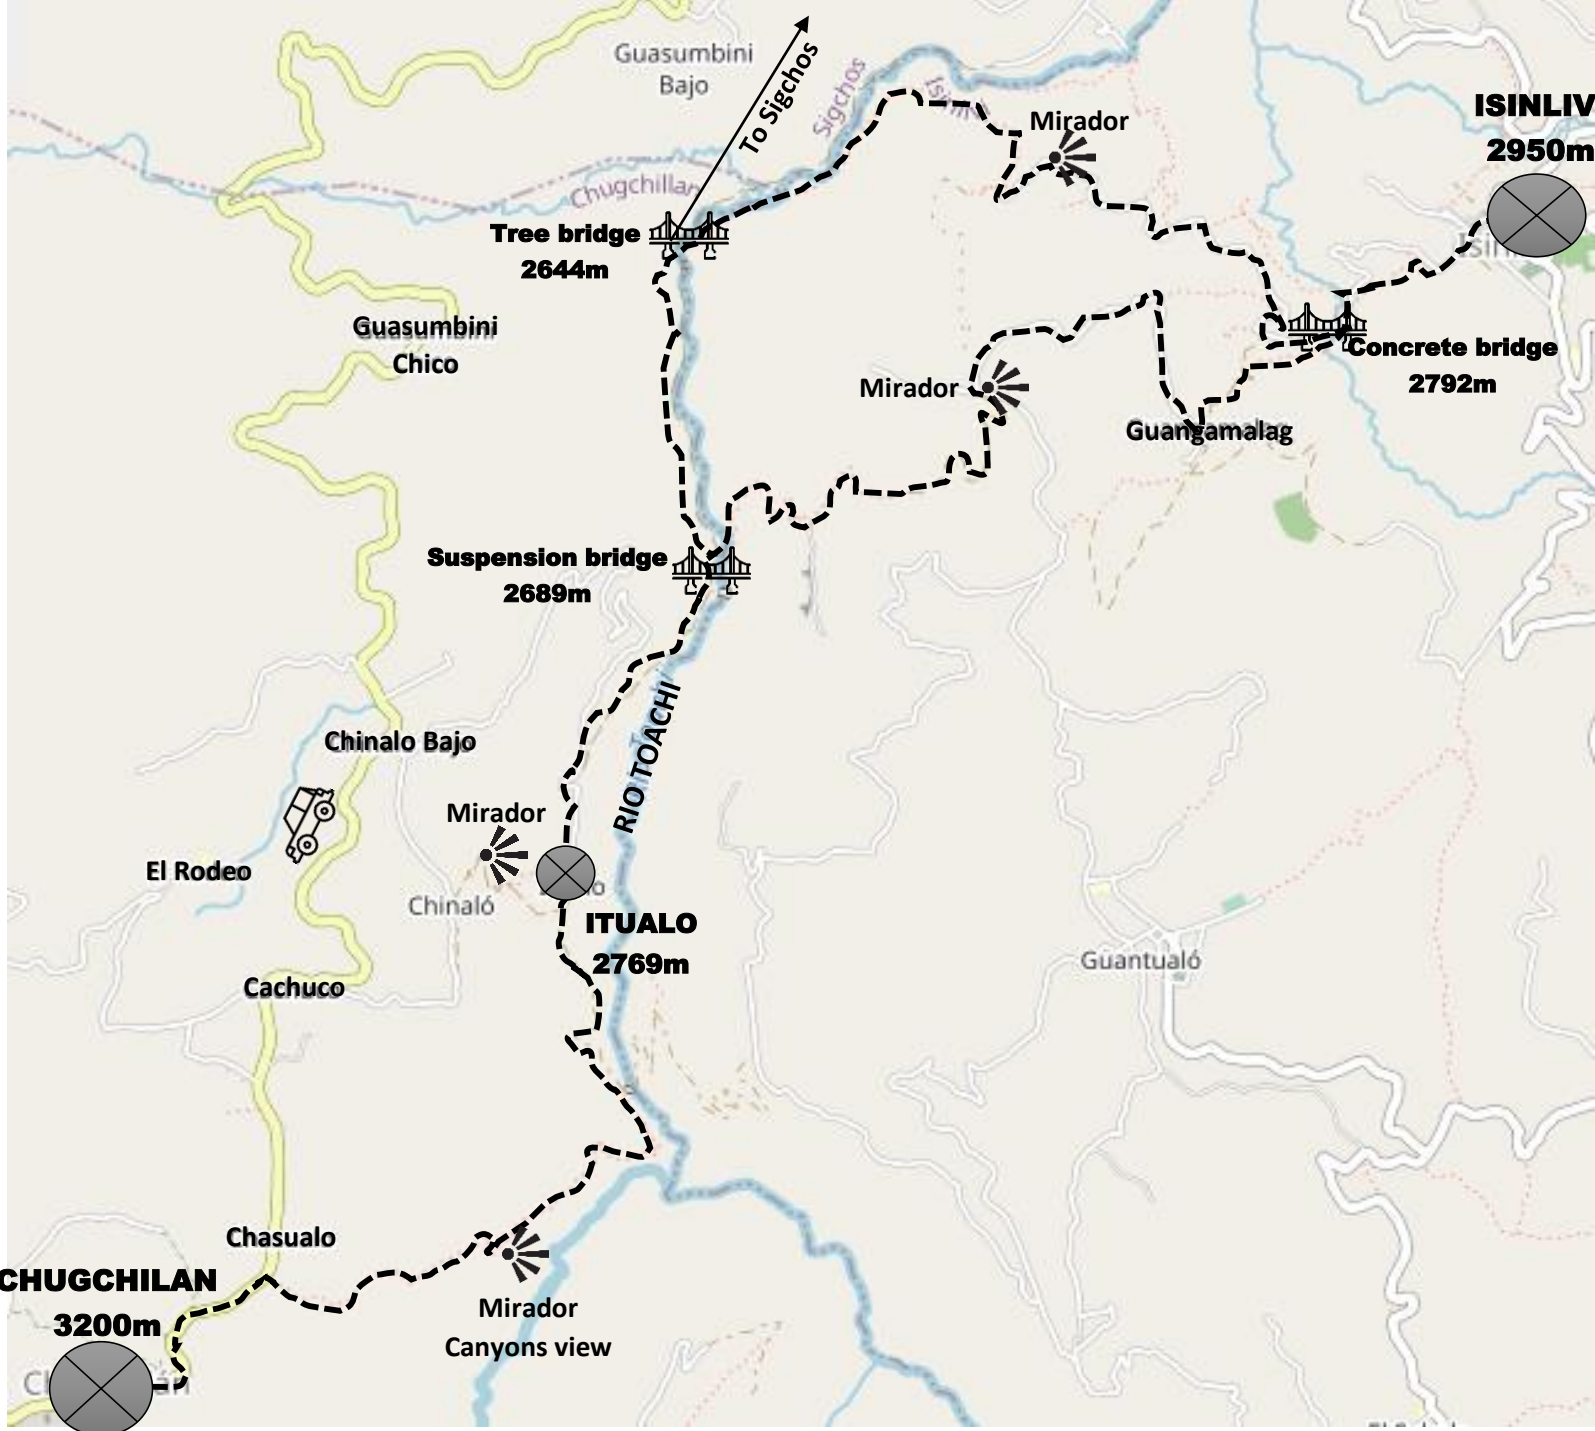

- From the concrete, climb to Isinlivi.
